

Dr. Pat Do

Dr. Do founded Mid-America Orthopedics in 2000.

He practices at the East Wichita location as an orthopedic surgeon specializing in general orthopedics, sports medicine and workers' compensation injuries, and is currently accepting new patients. A Fellow of the American Academy of Orthopedic Surgeons and board certified by the American Board of Orthopedic Surgery, Dr. Do is a champion for best practices medicine. He is the founder of a national consulting effort to help physicians across the country establish and improve their practices.
